

Friends of the Grafton-Midview Public Library present:

READ *between the* WINES

Thursday, October 5, 2023 from 6:00 - 10:00 p.m.

Dear Library Friend,

The Friends of Grafton-Midview Public Library are bringing back our annual **READ *between the* WINES** event at the library on Thursday, October 5, 2023. This wildly popular community event features invited wineries, breweries, restaurants, caterers and dessert shops from our area. The vendors will offer samples to ticket holders along with live jazz entertainment, door prizes, and a Chinese Raffle.

Our hope is that you will continue supporting the Grafton-Midview Public Library by partnering with us as a Sponsor! Sponsors will enjoy the following rewards:

- Connect with a public library, our country's recognized institution of equal access to knowledge, freedom of expression, preservation of heritage and a commitment to the future of Grafton Midview Public Library.
- Help close the digital divide by supporting computer access/computer literacy and education
- Help secure a place for continuing educational growth for all ages
- Increase your marketing exposure before, during and after the event
- Have a permanent recognition of sponsorship at the GMPL on our Giving Tree in the Library

This year you will have the option of choosing how your sponsorship will be utilized. We offer two choices for your donation: support of Library Programming or the Grafton-Midview Public Library Endowment Fund. Our library has been providing services to our residents since 1944 due in part to the kindness and support of our Lorain County neighbors, friends, and businesses. We remain an independent Lorain County Library.

Enclosed find details on how to become a 2023 Sponsor of the Grafton-Midview Public Library.

Sincerely,

Brenda Jalowiec -440-668-9737 bjalow@frontier.com

The Giving Tree

Grafton-Midview Public Library Endowment Fund

Investing in the community by securing the future of the Library!

The Library Endowment fund helps secure a place for continuing educational growth, enlightenment of the arts and sciences, and entertainment in various formats for all ages in the Midview district.

Our service area covers the Midview school district with a population of 23,000. The Library provides early child literacy story times for children as young as six months to pre-school age, and programs such as 1,000 Books before Kindergarten.

Our youth services collection includes magazines, Launchpads, early literacy kits, movies and audio books, along with a large collection of books.

We offer programming for tweens and have a Teen Zone area for our 13-18 year olds.

Our collection of adult materials includes inspirational books, non-fiction and fiction in regular and large print, audio books, movies, magazines, plus various electronic databases and digital books for reading and listening.

Our adult services offer Tech Tutor instruction, a large array of programming all year long for adults, and services such as passport, notary, AARP tax service, and book clubs.

We have board games, ukuleles, blood pressure equipment, and hotspots for checkout. We connect with our past in the Doris Wildenheim Local History room and Biblioboard, for Our digital database of local Grafton history.

The Library recently added outdoor lockers in the front of the Library building for our patrons to access material 24/7.

Funds from the GMPL Endowment Fund went towards this purchase.
